

START

“If you build it...” was a great sermon series from the book of Haggai. What are a few of the major biblical truths that really struck home with you? How has the Word impacted you in the last five weeks?

DIG IN

Recap from Week Four

- 1.) God used Old Testament law to show his people how easy it is to fall into _____ and how hard it can be to obtain _____ or _____.
- 2.) When we as God’s children are outside of the will of God and in a state of disobedience, everything is affected. Haggai said that in the eyes of the LORD, everything offered was _____ or _____.
- 3.) The message entitled: “If you build it, God will bless you” showed us that the LORD does indeed bless obedience. The Jewish people had only been back to work for _____, but life was already so different.
- 4.) Life was different now for the Jewish people. Before God said he would _____ away and _____ everything they touched. But now blessings abound...harvest, food, drink, clothing, and wages.

Practical Application

- 1.) The book of Haggai started on somewhat of a negative note; however, it ends with a cry of victory for God’s people. How does that make you feel?
- 2.) Knowing at the end of the age when Jesus returns that the church will indeed win, how should we move forward here at Northgate?
- 3.) In our series, obedience for the Jewish people meant that they were working on the temple. What will obedience in the future look like for us?

WHAT'S NEXT

Now that we are finished with this series, ask yourself what is next for you? How has the Word of God changed you and in what ways will you be more obedient in the future?

The Holy Spirit convicts us of our sin. Allow the Spirit to reveal areas that need work in your life and make the decision to change. PLEASE do not stay idle as the Jewish people did for 16 years. Get to work!

LOOKING AHEAD: Please read Philippians 2:1-11. Mitch Tidwell will be sharing from God’s Word. Please pray for Mitch as he challenges us to SERVE with the attitude of Christ Jesus.
